

CT - 300

Special Degreaser H.D

Introduction

CT-300 was developed as a virtual cure-all for shipboard degreasing problems. Its latitude of application includes engine room bilges, decks, ships hull, tank tops, machinery parts, shaft-alleys, and is especially recommended for use in the cleaning of cargo tanks.

CT-300 although it is a highly concentrated emulsifying agent, it was designed for maximum safety to personal and equipment. It is non-caustic and non toxic.

Ideal chemical for use as spray cleaning of cargo tanks in tankers.

Physical Properties

Appearance.....	Pink
S.G.....	0.8 – 0.9
PH.....	Neutral
